Medicaid Managed Care
Enrollment Report Glossary

TERMS USED IN "PROGRAM TYPE" COLUMN:

HEALTH MAINTENANCE ORGANIZATION - HMO -- an entity that contracts on a prepaid, capitated risk basis to provide comprehensive health services to recipients.

PREPAID HEALTH PLAN - PHP -- an entity that either contracts on a prepaid, capitated risk basis to provide services that are not risk-comprehensive services, or contracts on a non-risk basis. Additionally, some entities that meet the above definition of HMOs are treated as PHPs through special statutory exemption.

HEALTH INSURING ORGANIZATION - HIO -- an entity that either provides for or arranges for the provision of care and contracts on a prepaid capitated risk basis to provide a comprehensive set of services.

PRIMARY CARE CASE MANAGEMENT - PCCM -- a Freedom of Choice waiver program, under the authority of section 1915(b) of the Social Security Act (the Act.) States contract directly with primary care providers who agree to be responsible for the provision and/or coordination of medical services to Medicaid recipients under their care. Currently, most PCCM programs pay the primary care physician a monthly case management fee in addition to receiving fee-for-service payment.

TERMS USED IN "PAYMENT ARRANGEMENT" COLUMN:

Full - Fully Capitated

Partial - Partially Capitated

FFS - Fee-For-Service

TERMS USED IN "ELIGIBLE POPULATION(S)" COLUMN:

T19 - All mandatory Medicaid eligibility groups, as described by Title XIX of the Social Security Act.

AFDC - Includes recipients of Aid to Families with Dependent Children (AFDC) and all related categories (unless otherwise specified.)

SSI - Includes Supplemental Security Income (SSI) recipients (or aged, blind and disabled individuals in States that apply more restrictive eligibility requirements) and all related categories (unless otherwise specified.)

OTHER - May include optional categorically needy groups, the Medically Needy (MN), and individuals covered under State health care reform programs (also know as § 1115 Research and Demonstration programs.) Unless otherwise specified, specific categories under this column may not be defined beyond the term "Other." As such, it may be necessary to contact the State where the program originates to obtain additional eligibility information.
